

Haringey Service User and Carer Forum

The Haringey Service User and Carer Forum is excited to announce the relaunch of our forum

Date: 12 October 2020

Time: 2pm – 3.30pm

Venue: Microsoft Teams

The topic for the forum will be “*COVID-19 reflections and looking to the future*”. Unfortunately due to the COVID-19 pandemic we have been unable to hold our monthly forums where we encourage individuals to express their views and share their experiences. We are really looking forward to hosting our first virtual forum and encourage you all to attend.
