

# Haringey Service User and Carer Forum

**The Haringey Service User and Carer Forum** aims to provide a place for past and present service users and carers to learn about new developments and to provide feedback on services.

The forum provides an opportunity for people to discuss their experiences and to share views with staff so that their ideas can help to influence the way services operate.

Barnet, Enfield and Haringey  
Mental Health NHS Trust

*A University Teaching Trust*

Meets the second Monday of every month  
2.00pm - 3.30pm in Meeting Room 2 Halliwick
